

Hubbell Longhorns

Excellence In Breeding

TD Norm

Date of Birth: 10/03/2015
Registration 1: BI103006

Courtesy of Hubbell Longhorns

Our future herd sire at Touchdown Ranch....Cow power at its finest behind this little guy. His horns are pointed straight back, an almost identical horn set to his sister TD Normandy at the same age. We've never seen a bull with this set, exciting stuff. Half interest available with alternating possession. A true partnership opportunity.
